

# NYC BENCHMARKING JUMP START

## IS YOUR BUILDING LARGER THAN 25,000 SQUARE FEET?

If so, you may be subject to the new NYC Benchmarking Law.

## DO YOU KNOW ABOUT THE NYC BENCHMARKING LAW?

Under the NYC Benchmarking Law, building owners must collect and report their annual energy and water use to the City.

## WANT TO START BENCHMARKING, BUT DON'T KNOW HOW?

We can help!

**THE JUMP START PROGRAM** was created by the NYC Benchmarking Help Center to help building owners get an early start in the benchmarking process. A 15-minute call can help you get started today. Learn about your building's energy and water use, and find ways to save money!

Start early to avoid the crunch and get ahead of the line!

Use a customized data worksheet before logging online!
